## PROGRAM & PARTICIPANTS

Minneapolis Support Team

*An experiential learning and networking event*

*An initiative of Minnesota State IT Center of Excellence, Hennepin Technical College and Alexandria Technical College along with The National Center for Systems Security and Information Assurance*

*Minnesota State IT Center of Excellence is a Minnesota State Center of Excellence hosted by Metropolitan State University.*

# 2018 MINNESOTA COLLEGIATE CYBER DEFENSE COMPETITION

WELCOME! This competition allows institutions of higher education to assess their students' depth of understanding and operational competency in managing the challenges inherent in protecting business IT networks. We have nine teams competing in this year's competition.

Minnesota State IT Center of Excellence are happy to bring these teams together this year with assistance from the Center for Systems Security and Information Assurance (CSSIA) and hosting support of Hennepin Technical College.

**The top three Minnesota teams will be recognized at the Student360 conference on Feb. 24, 2018. The first place team will compete in the 2018 Midwest Regional CCDC at Moraine Valley Community College, Illinois, on March 23-24, 2018. The Midwest Regional CCDC winner will be competing at the 2018 National CCDC in San Antonio, TX on April 13-15, 2018.**

This program provides an anticipated schedule of activities and a listing of participants in various roles. The State Director of Minnesota CCDC and the Chief Judge reserve the right to change the schedule as necessary.

*Thanks to staff & volunteers in the Black and Gold Teams for facilitating this event, to the Red Team volunteers, to our White Team judges and our generous sponsors!*
