

YOU'RE INVITED

to **Discovering IT Day!**

What:

Discovering IT Day is a semi-annual event that takes place at General Mills Headquarters in Golden Valley. For two hours, you will get to explore what it means to have a career in IT at a Fortune 500 company! You will get to see our amazing GMILL lab, ask questions to a panel of IT employees, and build and program your own LittleBits car.

When:

December 6th, 2017 at 4:00-6:00 P.M.

Where:

General Mills Headquarters
1 General Mills Blvd.
Golden Valley, MN 55426
